029	Planning Applications Planning applications were dealt with as per the attached list
030	Greenway, Uplowman Members felt that the application, which had been dealt with at the previous meeting, was misleading, and following further information wished to amend their comments. There are access problems, and generally it was felt to be unsuitable for that purpose. If the County Council were of a mind to grant the application it was felt that there should be a restriction imposed regarding the operating hours. It was decided to recommend 09.00 to 18.00 on weekdays only; with no weekend operations permitted.
031	Licensing No items for this meeting
